Autonomous Vehicle - Construction has begun and is expected to be completed by October 25.

Smoking Signs - No Smoking signs have been placed in their designated areas. Click here for Authorized Smoking Area.

Human Resources

The Staff Salary Study is ongoing. The Steering and Advisory Committees will receive preliminary results on October 14 from the Sibson consultants. A three-year implementation strategy is planned with implementation steps beginning in November. For more information visit Staff Salary Study Site.

Enhancements to Workday onboarding steps were launched October 7 by TAMUS Workday Services. There are fewer steps for the hiring unit and the new employee steps have been better organized for a smoother experience.

Are you hiring several workers for a new or special project? Contact HR for an I-9 Pop Up Station. We can come to you and take care of the onboarding steps with your new hires at a time and place of your choice. Email Human Resources to schedule.

Now you can view your Total Rewards Statement. This is a personalized online statement summarizing the total value of your compensation. Please log in to Workday and navigate to your profile. The Total Rewards Statement will be in the compensation tab.

Comptroller

Reminder that beginning September 1, parking deductions will no longer be considered pre-tax. Parking deductions now will be processed post-tax, or after taxes have been calculated, and could result in a slightly lower net pay. This change only affects employees who pay for parking permits through a payroll deduction. Employees are encouraged to review their pay slips in Workday and compare the items under the Pre-Tax and Post Tax Deductions sections.

Card Services will be hosting Pcard/Travel Training (combined) on November 13 from 2:00-3:30 p.m. in CCH 249. If you are interested in attending, please sign up through TrainTraq.

Compliance/Safety

University Ethics and Compliance Week will be November 3, 2019 through November 9, 2019. There will be events for staff, faculty and students. For more information, please visit http://edcs.tamucc.edu/complianceweek.html
Information Technology

October is National Cyber Security Awareness Month and the Division of Information Technology will be hosting a series of free events to attend and engage with information technology and security.

- Every Friday in October from 9:00 a.m. - 4:00 p.m., any campus member can bring their unwanted hard drives, diskettes, tapes, and other electronic media to be shredded by DoIT’s drive shredder.
- On October 2, 10, 15 and 23 from 11:00 a.m. - 3:00 p.m., DoIT will have an information table located on the spine by the Library to discuss security initiatives and provide tips/tricks to help protect you and your information. Information security professionals will share their expertise on staying secure at work and at home.
- On October 31, DoIT will be participating in Staff Council’s Spooktacular Break in the Day at the University Center. Visit one of our tables to enjoy games and treats while learning more about staying safe online.

Food Truck by Tidal Hall - Returning Soon!

New Faces to F&A

Rosanne Gorny joins the university on October 21 as the new Assistant Vice President and Chief Budget Officer. She will be responsible for the coordination, preparation, implementation, and monitoring of the annual operating budget and Legislative Appropriation Request, as well as provide oversight of the Bursar’s Office. Rosanne is coming from the University of Texas – San Antonio and brings with her a vast knowledge and experience in the areas of budgeting, financial management, and business administration.

Susan Layton joins the university on October 21 as the new Director of University Services. Susan will oversee most campus auxiliary functions including dining services, vending services, bookstore, copy and print services, and mail services, to name a few. Susan is joining us from Regis University in Denver, Co.

Please join us in welcoming these new employees.
